Developing Virtue Girls School
Grades 7-12

2021-2022

Developing Virtue Secondary School

August 2, 2021

Dear DVGS Families,

Welcome back! We also extend a warm welcome to our new families joining the DVGS community. We hope you have been able to spend some of your summer days reconnecting with family and friends. After a year of disrupted learning and unprecedented challenges, we begin a new academic year filled with hope, excitement, and gratitude.

Our school will continue to follow CDC and CDPH guidelines as we resume in-person learning on campus. Students will continue to wear masks, stay within their class bubbles, participate in surveillance testing, and follow healthy hygiene. We want to ensure the highest level of preventive measures are taken to protect our students. These preventive measures have been extremely effective at protecting our students and staff during our in-person learning at our satellite campus and summer camp on campus.

As we embark on this special partnership together, we hope to continue to serve our students holistically. We will work on social-emotional learning through mindfulness activities, and create strong connected communities within our classrooms and school. We are excited about the new possibilities for the new school year, and look forward to seeing all the children return to our campus.

Sincerely yours,

Jin Jr Shi
Principal
dvgs@drba.org

Student Daily Screener

All students will continue to screen for COVID-19 symptoms prior to coming to school each day. It is a short screener on a Google form. The link and QR code is the same as last semester.

[IGDVS Student Daily Screener](#)

New families can watch the QR code tutorial. It is an easy way to have your child complete the screener before going to school each day.

Immunization/Annual Wellness Check-up

The school is required to report the immunization status of students to the state. Please bring your child to your family health practitioner to receive shots he/she may have missed during the pandemic. If your child has not had his/her annual wellness check-up this year, make sure to schedule one before school starts. Report any new changes to your child's medical records to the school.

Drop off/Pick up Procedures

All parents will drop off and pick up at the curb in front of the school dormitory.

Arrival and Dismissal Times

Grade	Earliest Drop-off	School Day
7-12	7:40	Monday-Friday, 7:50 am - 4:05 pm

School Uniforms

Guidelines

Students are required to be properly dressed in a neat, clean and complete uniform.
