Student Internet Access Agreement

INTERNET ACCESS AGREEMENT:

IGDVS provides students with access to computers and the Internet. Through the Internet, students can access databases, websites, and email. They may also have the opportunity to publish their work on the World Wide Web. Students are expected to use computers and the Internet responsibly and solely for school-related purposes.

As a condition of my right to use the IGDVS Internet service, I understand and agree with the following:

- Use of the IGDVS Internet service is a privilege. If I violate any conditions of use, that privilege may be taken away by school administrators and other consequences may follow.
- Use of the Internet is for school-related purposes only.
- School administrators will decide what constitutes violation of Internet use policies. Violations include, but are not limited to:
 - Transmission of or deliberate access to obscene, indecent, harassing, defamatory or otherwise offensive material in any form;
 - Any deliberate attempt to harm or destroy data on any system on the Internet;
 - Unauthorized installation, storage, or distribution of copyrighted software or materials;
 - Violations of school policies or federal and state laws.
- School administrators have the right to review any material sent, mailed, or stored in school computers, including websites and emails. The school can edit or remove any material that it believes may be unlawful, obscene, indecent, harassing, or otherwise objectionable.
- Do not give out your name, picture, telephone number, or address while using the Internet.
- The school does not guarantee that the Internet service will be error-free or uninterrupted.
- All other related student policies are applicable. Please review the *Parent-Student Handbook*.

RULES AND CODE OF ETHICS:

I agree to follow these rules and establish this code of ethics in all of my work using IGDVS computers:

- I will not use computer resources for non-academic related activities.
- I will not play online games on school computers.
- I will not damage computer equipment or maliciously alter computer settings.
- I will only use the Internet to search areas that are appropriate to my class curriculum.
- I will not share my computer password.
- I will use printer paper supplies wisely.
- I will not look at non-academic streaming video.
- I will not use a proxy server.
- I will not access chat rooms or social sites.
- I will work in ways that will not disturb others.
- I will not alter other students' files.
- I will only save materials in my personal folder that are appropriate for educational use.
- I will not engage in plagiarism which means copying others' work and claiming it as my own.

I have read the above statements and agree to follow them. Any violations of this Agreement may result in losing my Internet privilege, and other disciplinary consequences that could result in school expulsion.
